

Cách truy cập mathscinet (cơ sở dữ liệu toán học của hội toán học Mỹ) từ xa

- 1) Mang máy laptop đến viện, vào internet của Viện
- 2) Vào trang mathscinet, sẽ thấy ở góc trên bên phải nó nhận ra địa chỉ truy cập từ Viện
- 3) Bấm vào nút xanh "Remote Access" sẽ ra trang tiếp theo "Welcome to Remote Access" và bấm Yes - họ sẽ ghi nhớ laptop này và cho phép truy cập vào mathscinet từ xa trong 1 thời gian.

The screenshot shows the MathSciNet website interface. At the top, there are several browser tabs and the URL mathscinet.ams.org/mathscinet/. The main navigation bar includes links for "Page principale", "Préférences", "Outils gratuits", "À propos", "Librarians", "Reviewers", "Terms of Use", and "Blog". The MathSciNet logo is prominently displayed on the left, with the text "AMERICAN MATHEMATICAL SOCIETY MATHSCINET MATHEMATICAL REVIEWS". To the right, there is a link for "Vietnam Institute for Advanced Study in Mathematics" and a "REMOTE ACCESS" button, which is highlighted with a red arrow. Below the navigation bar, there are tabs for "Publications", "Auteurs", "Reuves", and "Citations". The main content area features a search form with fields for "Auteur", "Titre", "MSC primaire", and "N'importe où", each with a dropdown menu and a search button. There are also options for "Quand?" (Base de données entière, Année, Années) and "Type de document" (Tous, Livres, Revues, Actes de congrès). The "Review Format" section has radio buttons for "PDF" and "HTML". A "NEW!" banner for "Author Profile Personalization" is visible on the right. At the bottom, there is a footer with the text "The AMS is developing a new user interface for MathSciNet. A beta version is available at <https://mathscinet.ams.org/mathscinet/beta>". The Windows taskbar at the bottom shows the system tray with the date 5/24/2023 and time 4:45 PM.

Welcome to Remote Access

Remote Access allows you to access your institution's subscriptions to AMS electronic products from anywhere, as long as you have internet access and your device has:

- local storage
- cookies enabled
- JavaScript enabled

Please note that you must be connected to your institution's network in order to activate remote access.

Do you want to continue pairing this device to your institution's subscriptions to AMS electronic products?

For more information on remote access, please visit <https://www.ams.org/publications/remoteeaccess>

To find out what AMS electronic products your institution subscribes to, please visit https://www.ams.org/cgi-bin/click_access/bookshelf. Note that you must be connected to your institution's network to view available subscriptions.
