Le Tuan Hoa
President of Vietnaese
Mathematical Society

Dear Professor Le Tuan Hoa,

I would like to thank you very much for organizing such a nice joint congress of our two learned societies in Hue.

When coming back to France after the conference, all colleagues looked extremely pleased. They liked the scientific program and found the organization very efficient.

It is expected that Lionel Schwartz write a short note on the VMS-SMF joint Congress in our journal, called «Gazette des Mathématiciens».

Lionel told me that VMS intends to publish Proceedings. Thank you for this also. I do hope that they will reflect the high level of the Congress. A good referee process is the best way to guarantee the quality. Please let me know if our Society can help you with this.

Sincerely yours,

Aline Bonami
